NICHOLS NAMED BY GOVERNOR

Is Appointed Chief Justice of the Ohio Supreme Court

SEN. W. A. GREENLUND

Of Cleveland Named as Lieutenant Governor to Succeed Mr. Nichols, Serving His Second Term in That Office.

(ASSOCIATED PRESS TELEGRAM) Columbus, O., Sept. 20.—Governor Cox this morning appointed Hugh Nichols, of Batavia, as chief justice of the Ohio Supreme Court. The same time the governor named State Senator W. A. Greenlund of Cleveland as lieutenant governor to

HUGH NICHOLS, Appointed Chief Justice of Ohio Supreme Court.

succeed Mr. Nichols as lieutenant governor.

Governor Cox planned some time ago to appoint Mr. Nichols to the chief justiceship but later decided to refer the whole matter to the Supreme Court. It is understood that at least four members of that body—Justices Donahue, Newman, Wilkin and Johnson, declined the appointment as its acceptance would have meant the shortening of the term for which they had been elected.

Mr. Nichols is serving his second term as lieutenant governor, he having come into that office during the second Harmon administration. His elevation to that office was brought about by the election of Albee W. Pomerene of Canton, as United States senator.

Pomerene had been elected in 1910 with Governor Harmon but only served as lieutenant governor during the first few weeks of the administration.

Senator Greenlund, who becomes lieutenant governor, is the author of the liquor license law and of the new law governing state charities. Both Nichols and Greenlund are Democrats.

INTERESTED IN CHARITIES.

(ASSOCIATED PRESS TELEGRAM) Cleveland, O., Sept. 20.—The new lieutenant governor, W. A. Greenlund, is 38 years old and aside from real estate business, which he took up ten years ago, Greenlund has spent most of the time since he left high school in sociological work. He has always been interested in charities and probation work. He was head of Goodrich House, a charitable and educational institution here for a number of years.

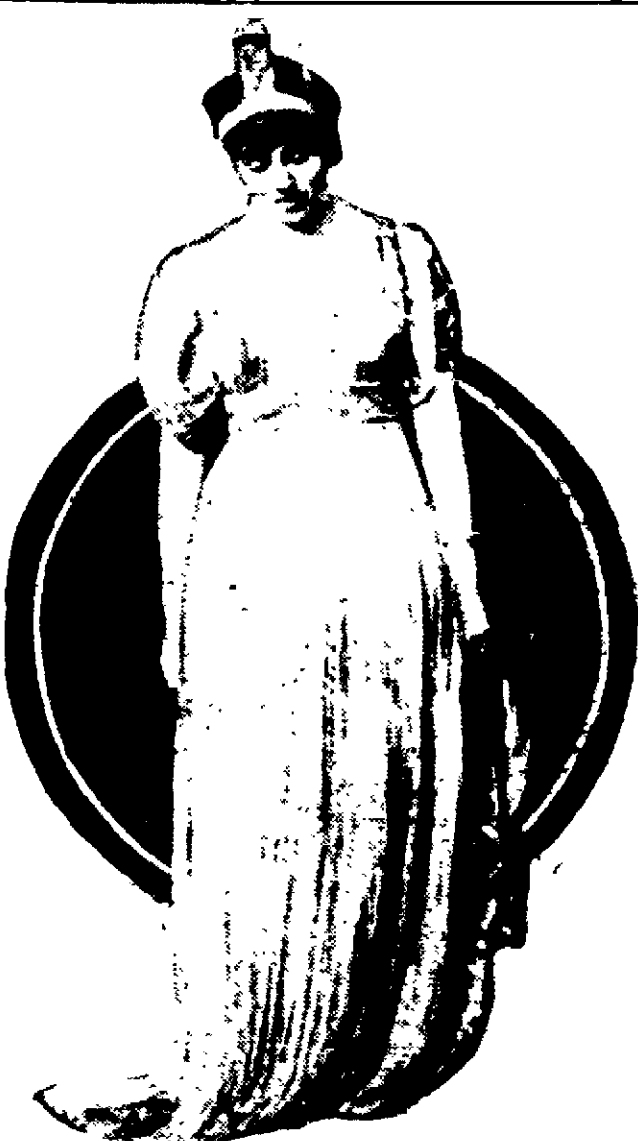

BADLY INJURED IN RUNAWAY WHEN THROWN FROM RIG

Frank Hill, an employee at the B. & O. roundhouse, was seriously injured on Friday afternoon in East Main street when a horse he was driving ran away, throwing him against the curbing in the street.

Mr. Hill was driving the horse, which is of a fractious disposition, along East Main street when it suddenly frightened and ran away. He was thrown from the rig against the curb stone, and received serious injuries about the face and head. He was removed to his home, corner of Hill and Baltimore streets, where Dr. C. F. Legge was called to dress the wounds.

Saturday morning, however, he was so ill that he was forced to remain abed and it is feared some injury to the spine has been sustained.

President's Youngest Daughter in Robes For Leading Role in "Bal Masque" Sanctuary

Miss Eleanor Wilson, youngest daughter of President Wilson, was the leading character in the "bal masque" sanctuary, given on the estate of Ernest Harold Baynes, the naturalist, at Meriden, N. H., the other day. She appeared in a pure white costume of Greek design.

In the play a protest against the importation of birds' plumes, and written by Percy Mackaye, Miss Wilson

portrays the part of "Ornis," the bird spirit. Her portrayal of this character during the rehearsal brought her unstinted praise and compliments from all. Miss Margaret Wilson, another daughter of the President, agreed to sing a song, "The Lyric of The Hermit Thrush," the number selected by Miss Wilson, was written by Miss Arvia Mackaye, daughter of Mr. Mackaye, when she was nine years old.

Editor J. H. Newton Has Been Recommended for the Newark Postmastership

[Special to the Advocate]

Washington, Sept. 20.—J. H. Newton of Newark, editor of the Newark, O., Advocate, was recommended yesterday by Congressman W. A. Ashbrook of the Seventeenth district, for the postmastership at Newark. The resignation of Postmaster Geo. D. Heisey has been forwarded to Postmaster General Bursleson.

TWENTY INJURED IN WRECK ON ROCK ISLAND

(ASSOCIATED PRESS TELEGRAM) Manhattan, Kas., Sept. 20.—Twenty passengers were injured, one probably fatally, when passenger train No. 1 on the Chicago, Rock Island and Pacific railroad, east bound from Denver and Colorado Springs to St. Louis, was derailed on a curve a mile west of here early today.

Eight coaches left the rails, one of them, the combined steel baggage and smoking car, rolled down a 20-foot embankment, turning over three times and landing upside down. The sleeping compartment was full of passengers most of whom were injured but none seriously save J. P. Baldy of Harrington, Kansas, who was crushed by a falling trunk. He probably will die.

The smoking division of the car was inundated and the passengers battered by a flood of steam from a locomotive in the baggage compartment.

WILL BE BEST MAN AT WILSON WEDDING

(ASSOCIATED PRESS TELEGRAM) Philadelphia, Sept. 20.—Dr. Wilfred T. Grenfell, head of the Labrador mission for the deep sea fishermen, will act as best man for Francis B. Sayre when he is married to the President's daughter, Miss Jessie Wilson at the White House on November 27, it is said.

Dr. and Mrs. Grenfell, the latter a Bryn Mawr graduate of the class of '96, are expected in Philadelphia in a few days. They are planning to spend the winter in England.

MADE WONDERFUL RECORD.

(ASSOCIATED PRESS TELEGRAM) Newport, R. I., Sept. 20.—Two center hits made with Whitehead torpedoes at 3,000 yards while running 12 feet under the surface of the sea is the remarkable record reported by the United States submarine E-1 on its return from target practice in Garner's Bay. During Wednesday's practice the E-1 under command of Lieutenant Louis D. Causey, while running submerged at full speed discharged both of her 18-inch torpedoes at a ten foot moving target. Both of the hits were bullseyes.

BOYS DESTROY DANGER LIGHTS; WARRANT ISSUED

The perverted idea of what constitutes amusement, which seized the idle brains of a number of East Newark boys, resulted in the filing of affidavits for their arrest Saturday morning. The lads are charged with the destruction of red lanterns placed as a danger signal on excavations for a sewer job in Wing street. The offense is punishable by a penitentiary sentence if the case is pushed that far.

According to the story related to the police department by the contractor, S. J. White, the lads destroyed two lanterns which had been placed on the excavation Friday night. It is charged that they knocked the lanterns into the sewer ditch by throwing stones at the lights and that the stone throwing continued until the lanterns were demolished.

Mayor Swartz in an interview Thursday warned Newark people against disturbing these danger lights. Complaints had been filed that several lanterns were stolen from a contract job on Granville street. The statement was made at that time that such action was punishable by a prison sentence.

The statutes regard any offense against the public safety as a serious matter and have provided stiff penalties for guilty parties.

Warrants in the above cases were given to police officers and the defendants named will be brought into court Monday.

Interurban Brings Kick on Ohio Mayor

Columbus, O., Sept. 20.—That C. E. Motz, mayor of West Carrollton, is trying to use the state public utilities commission as a club on the Ohio Electric company to force a real estate deal profitable to himself, is the charge entered with the state commission today by the interurban company. Mayor Motz filed complaint some time ago that the electric company maintains no station in West Carrollton and asked the electric commission to compel the building of one. The answer of the company is that its track is bounded on one side by the Erie canal and that the only property available belongs to H. L. Newell, who is in the employ of Mayor Motz.

WILL LEAVE BANANAS ON FREE LIST

Decision Reached After a Long Controversy Over Subject

STUDY OF TARIFF BILL

By Conference Committee to Determine Whether It Will Produce Revenue for Governmental Needs.

(ASSOCIATED PRESS TELEGRAM) Washington, Sept. 20.—The tariff conference committee today voted to leave bananas on the free list. After a long controversy in which the influence of President Wilson was thrown in favor of continued free importation of the fruit, the senate conferees receded from their amendment which would have imposed a duty of one-tenth of one cent per pound.

A critical study of the Underwood-Simmons tariff bill to determine whether it will produce enough revenue for governmental needs was still under way today when the tariff conference committee resumed work. Reductions by the senate have in many instances been opposed by the house conference on the ground that they would cut the revenue beyond the margin of safety.

Chairman Simmons of the senate conferees has announced that the bill would amply meet the revenue needs of the nation.

There was little prospect when the conference was resumed today that details of the bill could be completed before the end of next week. Supporters of the demand for free importation of works of art expressed great satisfaction today over the decision of the conference committee to remove all restrictions against free importation. Under the present law pictures and like are objects must be 20 years old to come in free. The house bill removed the restriction, but the senate increased its rigorous character by placing the age limit at 50 years. Under the new agreement all restrictions will be removed except that discretionary power will be left with the secretary of the treasury to determine the value of importations as "works of art."

The senate conferees gave way as to the duty on lemons, limes, grapefruit and similar fruits, leaving the rates as fixed by the house, based on the measurement of packages. The senate had fixed a flat rate of one-half of one cent per pound. The house rates agreed to are a slight reduction over existing rates.

PHOTOGRAPHIC INSTRUMENT FOR NIGHT PICTURES

(ASSOCIATED PRESS TELEGRAM) Vallejo, Calif., Sept. 20.—A local inventor has evolved a wireless photographic instrument which works only at night and reflects in a mirror it is said, a picture for a distance of several miles.

He has induced Secretary Daniels to take the machine to Washington for examination. The instrument receives its impressions from a web of wires attached to a tall mast.

APPROVAL OF MOTHER HOLDS UP THAW CASE

(ASSOCIATED PRESS TELEGRAM) Concord, N. H., Sept. 20.—The plans of the defense in the extradition proceedings against Harry K. Thaw were completed this morning and are awaiting the approval of the fugitive's mother and sister, who, with the latter's husband, George Lauder Carnegie, were expected later in the day.

Thaw was anxious to explain to his family his reasons for placing his case wholly in the hands of his New Hampshire counsel. The latter are working in complete harmony with former Governor Stone of Pennsylvania, the personal representative of the Thaw family.

Reports that Governor Felker was inclined to give Thaw his liberty and leave the final disposition of the case to the federal courts finds no support in a statement from the executive today in which he said he would approach the extradition proceedings on Tuesday with a perfectly open mind. His only determination, he said, was that justice should be done.

Thaw slept later than usual this morning and when he appeared at the breakfast table he was in the best of spirits. "My counsel are working very hard, you know," Thaw said, "and I shall do my part."

Another Photo of Anna Aumuller, Victim of Schmidt, the Priest Under Arrest in New York

This photograph of Anna Aumuller, the victim of Hans Schmidt, the priest, who killed her, and after carving her body, scattered pieces of it in the Hudson River, was found in the flat in which she was killed. The girl is said to have possessed more intelligence than most servants, and was particularly good looking. She was an Austrian, having come to the United States two years ago.

PEN OFFICIALS BELIEVE ROACH IS SHAMMING

(ASSOCIATED PRESS TELEGRAM) Columbus, O., Sept. 20.—Belief that Lorenzo Roach, the Canton triple murderer is shamming and that he did not swallow bichloride of mercury as he claims to have done, increased among prison officials today. The prison physicians refused to give an opinion as to the truthfulness of the man's story further than to say that so far Roach has not developed the symptoms usually attendant upon poisoning of that nature.

This morning Roach asked to write a letter to Judge R. H. Day, the Stark county official who sentenced him. The request was granted. In his letter to the judge Roach seemed to be positive of living and asked if it would be possible for him to have a new trial. He wishes to enter a plea of insanity. It is the general opinion that Roach wanted newspaper notoriety in an effort to arouse public sympathy.

STRIKE IN THE BRITISH ISLES COMES TO END

(ASSOCIATED PRESS TELEGRAM) London, Sept. 20.—The strike of the railroad men in the British Isles was practically brought to an end today. Officials of the companies reached an agreement with the representative of the men's unions today on the basis of the reinstatement of all strikers who agree to handle all the traffic which the railroads are bound to carry under the law.

Indications also point to a settlement of the motor omnibus trouble on Monday.

Ask Investigation Telephone Service by New Commission

(ASSOCIATED PRESS TELEGRAM) Cleveland, O., Sept. 20.—A resolution will be presented to the city council here next Wednesday night calling upon the state public utilities board to investigate the service given Cleveland subscribers by the Bell and Cuyahoga telephone companies.

E. W. Doty of Cleveland, member of the state board, said today that if the resolution is passed a hearing on the matter can probably be arranged for the latter part of October. Council has been investigating numerous charges of poor service by the telephone companies.

Frederick M. Black returned home this morning from Philadelphia and Boston.

GAYNOR FUNERAL OCCURS MONDAY AT TRINITY CHURCH

(ASSOCIATED PRESS TELEGRAM) New York, Sept. 20.—The body of William J. Gaynor, late mayor of New York, will be taken from the Gaynor home in Brooklyn late this afternoon and placed at twilight in the City Hall where it will lay in state until Monday morning.

Close friends of the Gaynor family, including a sprinkling of city officials, assembled at the Gaynor home today for the private funeral services conducted by the Rev. Franklin W. Page, of Culpeper, Virginia, for many years the pastor and close friend of the family.

Late today the body will be taken under the escort of a squadron of mounted police to the city hall. The American flag draped over the coffin when it was taken to the Lusitania at Liverpool will be replaced by the officials of the city when the body is placed in state. The body will lay in the rotunda of the city hall until Monday when it will be taken to Trinity church. The face will be exposed and all who wish to view the dead mayor may do so.

TWO SHOT DURING LABOR QUARREL

(ASSOCIATED PRESS TELEGRAM) Chicago, Sept. 20.—In a labor quarrel at the headquarters of the local printers' union here today two men were shot in a third. The injured Charles Cameron, business agent of the union, shot four times, wounds fatal, John Walters, printing contractor, shot once in the back.

Both men were present when the shooting occurred. The police were called and Ward fired the shots in a quarrel.

PRESIDING JUDGE OF SULZER TRIAL

Chief Judge Edward M. Cullen of the New York Court of Appeals will preside at the trial of William Sulzer, governor of New York state, who a month ago was impeached by the assembly, the lower house of the legislature. Judge Cullen has long been a member of the Court of Appeals and has stood high in the estimation of lawyers and laity.

HEARING ADJOURNS TO MONDAY

Albany Deserted, Principals in Sulzer Trial Having Left City

GOVERNOR IS SILENT

And Will Not Talk for Publication—He Denies That He Has Recognized the Right of Glynn to Act.

(ASSOCIATED PRESS TELEGRAM) Albany, N. Y., Sept. 20.—Compared with its activity earlier in the week Albany was a deserted city today. All of the principal figures in the Sulzer impeachment trial were out of town, the court of impeachment having adjourned until Monday and both houses of the legislature until Thursday.

No more clashes between Governor Sulzer and Acting Governor Glynn are anticipated. The governor has not been at his offices in the capitol for two days and it is said that he will not return unless the court of impeachment acquits him. His counsel has notified Acting Governor Glynn that any attaches of the governor's office who may be of any assistance to him are at his service. Glynn will make no attempt to move into the governor's quarters but will continue to direct the state's business from his temporary headquarters. Governor Sulzer is maintaining silence. Reports that he has gone into "seclusion" are somewhat exaggerated for he frequently appears on the streets in his automobile, but he refuses to talk for publication.

Counsel for James C. Garrison, the newspaper man and former state employee, jailed Thursday when he refused to answer questions propounded by the speaker of the assembly planned to start a legal fight in their client's behalf today. In the meantime Garrison remained in jail. He said the experience was novel and not unpleasant.

Governor Sulzer denied today that he had recognized the right of Lieutenant Governor Glynn to perform the duties of acting governor. Governor Sulzer's action in transferring certain criminal business to the attention of Mr. Glynn, said his counsel, had no bearing upon the question of Sulzer's present status.

(ASSOCIATED PRESS TELEGRAM) Albany, N. Y., Sept. 20.—"Governor Sulzer," said Valentine Taylor, his personal counsel, "continued to maintain the position which has been argued by his attorney before the court for the trial of impeachment, that the impeachment proceedings against him are null, void and of no effect, and that he is now entitled to exercise all of the functions of the office to which he was elected."

The statement of Mr. Taylor that Governor Sulzer had not recognized Mr. Glynn came as a great surprise to the office of the acting governor today. With the receipt of the communication from the governor's secretary yesterday, it was believed that the right of Mr. Glynn to exercise the functions of governor had been recognized.

During this morning Executive Legal Assistant Owen L. Potter, thinking Mr. Glynn had been recognized, offered his services to the acting governor. Other attaches signified their willingness to take orders from Mr. Glynn.

BANK SUSPECTS ARE HELD IN CINCINNATI

(ASSOCIATED PRESS TELEGRAM) Cincinnati, Sept. 20.—Three men who were apprehended in this city last Thursday and held on suspicion were today charged with being fugitives from justice in warrants sworn to by Chief of Detectives Cal. Crum. The men are James McCarthy and Carl Moran of Chicago, and Detective Walsh of New York. Detective Halpin, of the Chicago police department, is in this city in an endeavor to locate the perpetrators of the Garfield Park Bank robbery some time ago, while the police of Dayton, Ohio, are also here trying to locate the men who stole \$7,000 from a bank in this city last Tuesday.

PAROLE PERJURER AFTER SENTENCING

(ASSOCIATED PRESS TELEGRAM) Cleveland, Sept. 20.—O. R. Gullen, Cleveland, who yesterday pleaded guilty to swearing falsely to "forced" signatures on the Green workmen's compensation law referendum petitions, today was paroled by Judge Lehigh in common pleas court after Lehigh had sentenced him indefinitely to the Mansfield Reformatory. Prosecutor Locher favored the parole, declaring that Gullen, who is a young man, was no more guilty than other petition circulators who have not been arrested.

DENISON COACH IS PLEASED WITH WORK OF SQUAD

When the Denison 'varsity eleven' clashes with the strong team of Ohio Northern on Beaver Field in Granville on the eleventh of October in their first game of the season they will meet a foe that will test their ability at the outset, as this year they are rated as a team with brilliant prospects.

Coach Livingston is very much pleased with the work of the squad and states that the team will average as much weight as last year and will be more evenly distributed instead of being concentrated at different points as in last year's line. Three days before the opening of college "Livy" and most of his men were on the field and have been working out every evening since.

The star of last year's team, Captain Lester Black, will be seen playing in his old place again this year and he is expected to again be the dominant factor in the sustaining of Denison's winning reputation. Only four of the team of last year will appear in the lineup, as seven were lost through graduation or failing to return to school this fall. Out of last year's squad, Biggs, Reese, Roudelush, and Black are the only survivors in the football arena. In spite of this fact the men have materialized to fill the positions vacated by predecessors promise to give the team the strength of last year, because of their experience and practice on freshman teams.

Last year's freshman team is now being heard from. Tiele and Marsh, last year's freshman, are rounding into fine shape. Ladd looks good for quarterback, and John Ward, Newark boy, is assured of end if he travels at the speed that he has traveled hitherto.

Haskins, of last year's team, who was injured at the beginning of the season, will play an end. Hickman, colored, of Minneapolis' state high school star, looks very good. Livingstone and all the members of the squad are rejoicing over the fact that Sellers of the Freshman team of 1911, has returned to the school and will be out for practice Monday.

At the big annual Hello meeting in Cleveland Hall, President Chamberlain, Livingston, and several members of the faculty made speeches, after which all the new members of the institution were introduced and refreshments were served on the balcony. The president talked on college spirit and Livingston made a very inspiring and oratorical plea for athletics.

Denison is looking out for the future by having the freshman practice with the 'varsity team.

After a cessation of the regular meeting during the summer months, Mrs. Annie Grace Barrows has entertained the members of the Newark Chapter, Daughters of the American Revolution, on Friday afternoon at her home in North Fifth street with a silver tea.

The hatch home was prettily arranged with garden flowers and those receiving the guests were Mrs. William Prout, Mrs. Henry Woodbridge, Mrs. S. C. Priest, Mrs. Rose Wilson, and Mrs. Charles Hemsted. Presiding at the coffee and tea urns were Mrs. F. M. B. Windle, Mrs. Edward Doe, Mrs. Walter Symons and Mrs. Fant. Serving the guests were Misses Frances Priest, Helen Tucker and Genevieve Forry.

The serving table was prettily arranged with large clusters of asters.

Miss Grace Wilson, who became the bride of Mr. Homer Chamberlain this morning, has been the guest of honor at several pretty parties this week. On Thursday Misses Mary and Elizabeth Owen entertained with a luncheon at their suburban home in the Sharon Valley. The table decorations were golden rod and following the menu a handkerchief shower was given for the bride. The guests were Misses Wilson, Misses Mabel Smucker, Alta Scott, Helen Tucker, Ruth Zentmeyer, Sarah Walker, Mary Bower, Mary Hall. On Tuesday evening Miss Katherine Sedgwick gave a kitchen shower for Miss Wilson.

There is being planned a delightful fall festival to be given at the Country club on Tuesday evening. There will be a corn roast and a bacon fry. Picnic style, all are to bring sandwiches and the corn to roast, and the roast will begin at 4:30. All members of the club are invited.

At a delegates' meeting for the Woman's Foreign Missionary society held in Pataskala on Thursday, the following officers were elected for the Zanesville district for 1912-13: President, Mrs. Townsend, Zanesville.

First vice president, Mrs. William Mead, Pataskala.

Second vice president, Mrs. Madden.

Third vice president, Mrs. Kate Frazier of Irvile.

Corresponding secretary, Mrs. Eliza Adams of Zanesville.

Recording secretary, Mrs. Frank Agnew of Newark.

Treasurer, Mrs. J. N. Palmer of Zanesville.

Secretary Young People's Work, Mrs. A. S. Mitchell, Newark.

Secretary Children's Work, Mrs. E. S. Hulshizer, Newark.

Secretary Literature, Mrs. Gerwich, Zanesville.

The delegates to the Cincinnati branch meeting at Youngstown, October 14-17, 1912, are Mesdames Hulshizer and Mead; alternates, Mrs. Perry and Miss Smith.

Young ladies, Miss Daisy Dunaway, delegate, Miss Gilda Butler, alternate. The following from Newark attended the convention: Mesdames Agnew, Mitchell, Bell, Harriek, Cosway, Rhodes, Bergher, Davis, Paramore, Tower, Hirst, Phillips, Winn, Howard, J. C. Montgomery, Heins, Peepers, Louis, Fisher and Workman.

The initial meeting of the Tuesday Afternoon Bridge club for the fall season, was held with Mrs. Harry P. Scott as hostess on Friday afternoon. Mrs. Scott entertained the members

and a number of guests at the Sherwood Hotel.

The game concluded with the club souvenir being awarded to Mrs. Albert Rosebraugh, while Mrs. A. R. Pitzer received the guest's trophy.

The following were guests: Mrs. A. K. Pitzer, Mrs. Walter Upson, Mrs. Frank Bolton, Mrs. Updegraff, Mrs. Eliza Jackson, Mrs. Gillette, Mrs. William Gardner, Mrs. L. P. Franklin, Mrs. Channing Thompson, Mrs. Lynn B. Wilson, Mrs. Nelson Pierson, Mrs. Daniel Altman, Mrs. Edward Williams, Mrs. Fred Mosteller, Misses Romaine Stanberry, Mamie Smucker, and Ida Moore.

Miss Mary Osburn delightfully entertained the R. F. and B. P. club at her country home east of Jackson town. Various games were played, the "little red school house," and an "autumn picnic" being introduced and all enjoyed best the picnic lunch by the "camp fire."

The club presented Miss Osburn a silver spoon in honor of her birthday anniversary. At a late hour an elaborate lunch was served, the dining room being decorated in color scheme of pink and white.

The honors in the contests were awarded to Miss Lottie Baker and Mr. Clarence Rutledge.

The guests present were: Misses Flo Williams, Rose Osburn, Lottie Baker, Sarah Swan, Georgia and Mary Osburn, Messrs. Pete Carlisle, R. S. Campbell, Emmet Baker, Wm. Osburn, Mr. and Mrs. Clarence Rutledge. Refreshing and birthday greetings were received from Rachel Jones of Oklahoma, Anna Williams of Kentucky, Betta Jones of Plymouth, C. Ella Warrington, and G. C. McElwain of Newark.

The next meeting of the club will be with Mr. and Mrs. Clarence Rutledge, October 18.

CHAMBERLAIN-WILSON.

Transformed into a bower of golden flowers, the Wilson home in Eleventh street was the scene of a pretty wedding on Saturday morning when Miss Grace Wilson became the bride of Mr. Homer Chamberlain of Toledo.

Simplicity marked all the arrangements and only the members of the two families were present. The appointed hour was 10:30 and at that time the couple, unattended, took their place before the officiating clergyman, Rev. Don Tullis, pastor of the Second Presbyterian church. The ceremony was solemnized in the parlor and the large bay window was filled with golden rod and large yellow chrysanthemums. The bride's gown was of white embroidered batiste. She carried a nosegay of bride's roses.

Following the service, a wedding luncheon was served. The table had for a centerpiece, chrysanthemums of yellow, while yellow candles were used in the crystal holders.

The out of town guests were Mr. and Mrs. Chamberlain and daughter, Miss Jessie of Toledo, and Harold Wilson of Ohio Northern University.

Mr. and Mrs. Chamberlain left for Cleveland from which city they will take a trip on the great lakes. On their return they will be at home in Toledo. The bride is the daughter of Mr. and Mrs. Fred Wilson and has been a student at Denison University. Mr. Chamberlain is a graduate of Denison, and is at present chemist for the Overland Automobile company of Toledo.

OLD GUARD ARRIVES FROM CHATTANOOGA

War is over. The soldiers have returned from Lookout Mountain, Mission Ridge and Stone River, and they're loaded down with spoils of war territory and landed again as of old for their stalwart heroism in facing the enemy's fire unflinchingly. They came marching vigorously to the stirring rhythm of life and drum. But it's somewhat different now than fifty years ago. The Old Guard left Chattanooga, Tenn., at 1 a. m., made two one-hour stops enroute, and arrived in Newark at 1:50 Saturday via the B. and O., after visiting for the first time since the war, the ground over which they fought with the men in the gray who welcomed them to the national G. A. R. encampment last week.

Company B of Newark, and Company A of Columbus, the only two companies of the Old Guard fully equipped and uniformed, won ovation after ovation in the parade of veterans last Wednesday, and when the shilling veterans detrained in the Newark station Saturday, though tired and loaded down with "spoils of war" consisting of sugar cane, cotton stalks, rice and battlefield relics, there was a new light in the eyes of each, for he had lived over once again those thrilling days ago, and had lived them over in his imagination before the natural setting of those stirring encounters.

The Old Guard, in command of Captain Matt Bausch, not only enjoyed the trip, all arriving home in excellent health and spirits, but the company won high praise from the southland. The Chattanooga Daily Times said, by way of comment:

Ohio had the largest number of veterans in the entire parade, the number reaching, by count, more than 2,500. The Cleveland drum and fife corps led the Ohio delegation and was followed by the department command and staff, the Cleveland boys carrying old-time Springfield rifles.

Newark Co. B. Old Guards, also carried rifles and presented about the best appearance of any in the parade. At least their uniforms and rifles attracted more attention.

L. W. Wilson of Granville, member of the organization, remembered the Advocate's representative with an acorn from the tree where General Bragg tied his horse in front of his headquarters at Mission Ridge, where the Seventy-sixth O. V. I. made its celebrated close-range charge.

Mrs. J. B. Jones, accompanied her cousin, Mrs. H. L. Smith, who has been visiting her for three weeks, to her home in Berkeley, Va., today where she will remain for some time.

With Ohio Club Women

Conducted by Mrs. Charles S. Rockhill, Chairman of the Publicity Department of the Ohio Federation of Women's Clubs.

The eighteenth annual convention of the Ohio Federation of Women's clubs will be held at Chillicothe October 21, 22, 23 and 24, for which an unusually fine program has been arranged.

The hospitality of Chillicothe is proverbial and the charm of the old time city is so well known that a very large attendance is expected.

The convention will be held in an old time Georgian mansion built in 1829, which has been restored to its former charm, by the Elks, whose club house it now is. The fact that there is a large auditorium in connection with the charming drawing rooms, reception rooms and committee rooms so that all the business of the convention can be transacted under one roof—is a great advantage to the delegates, conserving time, energy and strength.

The club women attending Chillicothe convention will be amply repaid in every way for time spent. We trust this will be one of the finest conventions in point of numbers as it certainly will be in pleasure and profit. See that not only your delegates, but also your alternates go to Chillicothe.

The Warner Hotel is the headquarters for the convention. Make your reservations early.

Board of Directors Of General Federation To Meet at Niagara.

The Director of the General Federation of Women's clubs will meet September 17-20 at Hotel Clifton, Niagara, Canada.

The urgent need of settling many matters pertaining to the biennial convention to be held in Chicago in the spring made an immediate call necessary. As Mrs. Pennybaker and Mrs. Sneath were near Niagara, the other members were called to join them, thus saving time and travel.

Club Women Requested To Help Compile Scrap Book.

For Mrs. Pennybaker. Club women from every section of the United States are asked to aid in compiling a scrap book that will be presented to Mrs. Pennybaker of the General Federation as soon as it has been completed. All clippings from magazines, newspapers, books and programs relating to her work or anything done during her administration are requested by Mrs. Edwin A. Knapp, vice chairman of the press committee of Parkville, Mo. She will arrange them in the book.

The request follows: "At the wish of Mrs. Pennybaker, it is my happy privilege to compile a scrap book containing clippings relating to her and the work of the General Federation of Women's clubs during her administration.

It has occurred to me that the book will be more complete and doubly dear to her if the clippings are contributed by friends and club women from all over the United States.

Accordingly I am sending you this notice, asking you to send me all programs, clippings from the newspapers, magazines and other sources, which may come your way, appending

thereto your name, and the name and date of the publication.

"Should you find articles, send them just the same to the scrap book as to be loose leaf to admit of the clippings being arranged chronologically.

"Should the clippings be printed so that part of the news is on the reverse side, kindly send two copies that I may be able to paste the entire article in the book permanently.

"Reports of conventions can only be used in so far as they respect Mrs. Pennybaker's connection with them.

"Any valuable data, in regard to the General Federation which you feel that Mrs. Pennybaker would like to have will be given a place.

"Since articles are so easily mislaid, it is suggested that you clip them immediately upon reading them and mail directly to me.

"Will you kindly co-operate with me in making the scrap book as complete as lies within your power?"

"Thanking you for your courtesy and believing that your contributions will add greatly to Mrs. Pennybaker's appreciation of the compilation. Cordially yours,

"ANNA M. KNAPP."

(Mrs. Edwin A. Knapp.)

All Eligible Women Register in West.

The women of California were enfranchised in October 1911, only 23 months ago, but have found that 23 months of voting is worth 23 years of influence.

"Do women vote?"

There are no statistics for the state at large, but a record of the largest municipal election, that of Los Angeles, shows the women had made a suffrage campaign in California. They had been organized both before and after the campaign, and upon its successful termination they at once organized a campaign to register women for the coming city election.

In three weeks they performed the remarkable feat of registering about 70,000 women, or 99 per cent of the women eligible to vote. At the election four weeks later 95 per cent of the women registered voted.

SCARCITY OF WILLOW FOR WOODEN LEGS

(ASSOCIATED PRESS TELEGRAM)

Washington, Sept. 20.—Makers of wooden legs have appealed to the forest service to find for them a substitute for English willow, which in the past has been used almost exclusively in the manufacture of artificial limbs. The willow is especially adapted to this branch of manufacture because of its lightness and strength. It is growing scarce, however, and substitutes for it are being sought. Forest service officials believe they will be able to find a substitute in the Port Orford cedar, on the Pacific coast, and they are now conducting experiments with that wood.

"The Faultless Wood Finish."

Perhaps the floor is worn and scuffed. She'll give it a tony hardwood finish with this wonderful varnish stain.

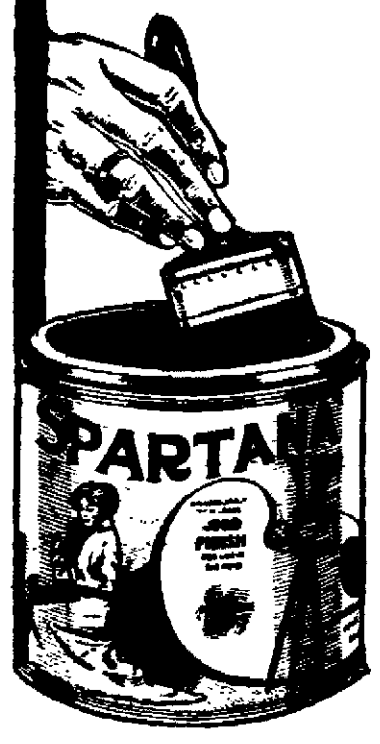

Perhaps an old chair or other piece of furniture, or picture frame needs attention. She will renew its beauty and transform it from an eyesore into an ornament.

SPARTANA is easy to apply.

Have surface clean and dry. If dark spots show, sandpaper them off. Apply stains with soft, flat brush, in direction of grain.

If desired to use a light finish on dark floors, a ground coat must first be applied.

Spartana gives a hard, elastic, wear-resisting surface to floors, doors, woodwork. It is used extensively for renewing things about the house and is not to be confused with Spartan Art Wood Stains, which are recommended by leading architects for interior work on new buildings.

ERUPTION LIKE RINGWORM ON FACE

Covered with Watery Blisters. Itched and Burned Terribly. Little Rest at Night. Cuticura Soap and Ointment Entirely Cured.

Lock Box 25, Maurice, Ia.—"In the spring of 1911 one of my daughters, now five years, had a breaking out on her lip and cheek. We took for ringworm. It resembled a large ringworm, only it did not itch. It was covered with watery blisters that itched and burned terribly, made worse by scratching it. Then the blisters would break through and let out a watery substance. She was very cross and fretful while she had it and had very little rest at night. When the eruption was at its worst the teacher of the school sent her home and would not allow her to attend until the disfigurement of her face was gone. We tried to kill it by applying but without result. It would seem to get better and then break out again. I then went to the store and bought Cuticura Soap and Ointment. We washed the sore with the Cuticura Soap and applied the Cuticura Ointment and they gave instant relief, so we bought some more. It gradually grew better. We kept on using Cuticura Soap and Ointment and in three or four months the child was entirely cured." (Signed) Mr. Henry Ems, Oct. 22, 1912. Cuticura Soap 25c. and Cuticura Ointment 50c. are sold everywhere. Liberal sample of each mailed free, with 22-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston." Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

ANKLE BROKEN, LEG MASHED AT EVERETT QUARRY

Caught by a cut of heavy cars at the Everett stone quarry where he was at work, Friday afternoon, Henry Robinson, 23, colored, had one ankle broken and the other leg mashed, at a point between the knee and ankle. Dr. Postle attended him and reports he will recover. Robinson stepped in the way of the cars and fell. He managed to pull himself partly from the tracks before the cars passed over his legs. He was hurried to Newark on an interurban car which was met by Chris Bros. ambulance. He was taken to his rooming place, in Hoover street, where after an examination Dr. Postle said he believed both legs could be saved. Robinson is 23, and the son of Beney Robinson of Granville street.

Y. M. C. A. NOTES

The Association members extend their sympathy to Member F. P. Sheldon of Granville, whose father died on Wednesday. Over a hundred people attended the illustrated address given by A. A. Ebersole of Honolulu in Taylor Hall on Tuesday evening. Mr. Ivan Tannehill of Granville, who has occupied room No. 12 for several weeks, has gone to Columbus to work. Mr. Booth, president of the Zanesville Railway Association, visited the local association on Thursday. The classes in the Physical Department started last Monday. All members are urged to join a class as soon as possible. The schedule offers six different periods a week, for business men. The Mechanical Drawing class will meet for the first session Monday evening Sept. 29 at 7 o'clock. Mr. Charles H. Cuiver of the B. and O. shops, will be the teacher. This has always been a popular course in the Association and we look for a large class this year. Many of the Denison men have visited the Association the past week while on their return for the opening of school. The Junior members of the Association will be glad to learn that Leslie Fishbaugh, who recently received injuries by falling from his wheel, is recovering rapidly. The executive committee of the County Sunday School Association will hold a meeting in the building Friday evening, Sept. 26. The rural delivery mail carriers of the county will hold their official business meeting at the building next Saturday evening. Word comes that Mr. Charles C. Metz, president of the board of directors, sails from Germany on the steamer General Grant, Sept. 20. The Association members and directors extend their wishes for a pleasant and safe voyage and await with interest his return. The board members and friends who enjoyed the outing at the cottage of Mr. and Mrs. E. S. Randolph near Black Hand, will not soon forget the very enjoyable evening spent there.

PIPE LINE TO TRANSPORT OIL INTO CANADA

Traversing Wayne, Monroe, Oakland, Macomb and St. Clair counties, Michigan, at a cost approximating \$1,000,000 and crossing the St. Clair, Mich., the first pipe line ever constructed in that state and the first pipe line to cross an international border is rapidly nearing completion, to connect the refineries of the Imperial Oil company of Sarnia, the Canadian subsidiary of the Standard Oil company with the Ohio fields. One of the two big pumping stations on the line is being built at Wayne, Mich., and several hundred workmen are building two 35,000-gallon steel tanks to handle the crude oil on its way to the refineries. The station building is almost completed and two large engines are being installed to operate the pumps. The engines will be run by crude oil. The pumps will handle 7,000 barrels of crude oil per day. A similar station is being completed in Cuyahoga, Ohio, the southern terminal. The work on the pipe line has been in progress since February. It runs from Cuyahoga in the Lima oil fields to Sarnia, a distance of about 10 miles. It crosses Wood and Lucas counties in Ohio, being laid on solid rock under the Maumee river. The line crosses Woodward avenue in Detroit, between Royal Oak and Birmingham. There are about 1,000 men at work on the line, three gangs laying the pipe across country, while others are employed in the construction of the pumping stations. The pipe is made of steel, six inches in diameter, and is laid two or three feet below the line of cultivation, so that it does not interfere with the farming. Under the St. Clair river the pipe is buried in six feet of mud, so that it will not be damaged by dragging anchors. Hitherto the Imperial Oil company has received its crude oil by boat, a line of tank steamers transporting a supply for the year from the Ohio ports to Sarnia, but the business of the refinery has grown so rapidly with the development of the Canadian northwest that it was impossible to get sufficient storage capacity to carry over enough crude oil to last while navigation is closed. The pipe line will furnish a steady supply the year round. Spain annually eats 747,287,221 pounds of meat, valued at \$105,308,836, mostly beef.

MISSIONARIES AT GRANVILLE OFF FOR INDIA

Leave Children Behind to Attend the Public Schools—News of the College City.

Granville, O., Sept. 20.—Rev. S. D. Bowden and wife left for Columbus Thursday morning for India, where they will again engage in missionary work. Rev. Bowden and wife were visiting the former's father and their small children whom they will leave behind in the city of Granville where they are attending school. This was their first visit in Granville in over seven years.

Rev. George A. Granville was in Columbus Friday.

A double shower was given at the home of Timothy Jones near Granville Tuesday evening in honor of Miss Ethel Christie and Miss Della Hayes.

One of the largest receptions in the history of Granville society was given at the home of Mrs. S. A. Morrow in Elm street Friday afternoon. The whole interior of the house was magnificently decorated with the flowers of the season. Adorned by the asters the house made one of the most beautiful imaginable aspects and was the source of much conversation to the hostesses. The reception was given by a trio, the hostesses being Mrs. S. A. Morrow, her mother, Mrs. Greene, and Mrs. L. Davies. The assistant hostesses were Mrs. Fred Buxton, Mrs. Iraper and Miss Martha Goach. Misses Belle O'Daniels, Alge Cook, Ethel Cook and Ruth Hawk assisted in the serving. The affair was one of the most delightful of the year, seventy-five guests being present during the afternoon. Refreshments were served to sixteen guests at a time in the dining hall.

Funeral services for Howell Sheldon were held at his home in Granville at 2 o'clock Friday afternoon. Rev. J. T. Newell officiating. Mr. Sheldon had been in Chicago on a business trip and contracted a cold which after his return Tuesday evening developed into pneumonia and resulted fatally. The deceased was a member of Granville Presbyterian church and at the time of his death was retained as manager of a Newark store. He was sixty years of age. He was well known both in Newark and Granville and is survived by his sister, Miss Clara Sheldon, and his son Fred and his daughter Clara.

BUILDER OF THE CANADIAN PACIFIC DIES IN MONTREAL

(Associated Press Telegram)

Montreal, Sept. 20.—James Ross, railroad builder, died here today of heart failure, after a two weeks' illness. He was 65 years old. Colonel Ross was one of the group of railroad builders whose names were linked with the construction of Canada's transcontinental railroad, the Canadian Pacific. He was born in Scotland and came to America in 1869, when he was 20 years old; was identified in his early career with the Wisconsin Central and on coming to Canada was appointed first chief engineer and afterwards general manager of the Victoria railroad.

At the age of 35 Colonel Ross was entrusted with the difficult task of building the Canadian Pacific, west of Winnipeg, through the Canadian wilderness. Two years later he had completed the line over the Rocky Mountain, Selkirk and the Gold Ege. On completion of this task he was given the contract for the remaining portion of the line and built it. During the last twenty years Colonel Ross has been interested in traction, power and mining operations.

HIGH COST OF LIVING FELT AT GIRL'S COLLEGE

(Associated Press Telegram)

Boston, Mass., Sept. 20.—The effect of the high cost of living will be felt by Wellesley college girls this year. Beginning Monday when the college opens for the year, students occupying campus dormitories must pay \$50 a year more for board and lodging. An official statement announcing this change says:

"On account of the increased cost of living the trustees of Wellesley college are obliged to announce that the charge for residence in college houses will be increased from \$25 to \$75, making the total annual charge for tuition and residence in a college house \$500 for all new students starting September, 1913, and thereafter."

Closing of registration showed a total enrollment of more than 1,400 students.

MRS. RICE WALKS OUT OF PRISON UNCHALLENGED

Mrs. Mable Rice, held at the city prison on a charge of larceny, walked from the woman's department some time Friday morning, stepped out doors and disappeared, a free woman. Her departure was unchallenged, no one seeing her go or realizing that she had escaped until she had time enough to get well concealed from the officers who started a search for her. Her escape was due to the failure to properly lock the door leading to the corridor of the woman's section at the prison. Police Chief Sheridan interviewed the woman in her cell Friday morning, when she handed him \$6 of the \$7 she is said to have taken from the pockets of Nick Waltermann of Chicago. When the chief left the corridor, he failed to lock the door behind him. Mrs. Rice was quick to see her opportunity and after the morning police court session was over and Prison Keeper Hager busy in another department, the woman opened the door and disappeared.

WRIGHT IS HELD TO GRAND JURY

B. & O. Railroad Charges Employee with Maliciously Tampering with Coupler of Car in Local Yards.

E. J. Wright, an employee of the B. & O. railroad arrested Wednesday night by Railroad Officer Mercer on a charge of tampering with a coupler of a railroad car in the local yards, was this morning held to the grand jury by Mayor E. M. Swartz, following his arraignment in police court. The affidavit was filed Thursday morning by Officer Mercer following a complaint filed with him by local railroad officials, according to the statement of the officer. Wright was sent to his home Wednesday night because he reported for duty under the influence of liquor. He is said to have made threats at this time that he would uncouple a car of cars. Later in the evening, it was found that the offense had been committed and recalling the threat of the defendant, his arrest was ordered.

Don't Let Your Baby Suffer With Eczema and Skin Eruptions

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. Dr. Hobson's Eczema Ointment can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used," writes Mrs. Strubler, Dubuque, Ia. All druggists, or by mail, 50c. OMAR W. CRANE PASSED AWAY FRIDAY NIGHT

Dissolution Caused by Throat Trouble of Several Weeks' Duration—Funeral Monday Afternoon.

After an illness of seven weeks, but which was not considered immediately fatal, Mr. Omar W. Crane died at his home, 197 Hudson avenue on Friday night at 11:15 o'clock.

To his business associates and friends the announcement of his death came as a great surprise and shock. Mr. Crane has been a sufferer for several weeks from an affection of the throat. In an effort to remove the cause, he went to Rochester, Minn., for treatment by the famous surgeons of that city. However, he continued to suffer upon his return home, until Friday night when the weakened condition of his heart brought death.

Beloved in his home, Mr. Crane also always won the highest esteem and the greatest admiration of his associates in business. He was completely a business man and was most successful as an active partner in the firm of Crane & Bliss, hardware.

The deceased was born on a farm at Salt Creek, Muskingum county, July 6, 1851. He was the youngest son of Matthew E. and Mary (Huff) Crane, and was educated at Denison University. He came to Newark with his brother Ferd A. Crane, in 1873, and they purchased the millinery establishment of George Huff which they conducted successfully under the firm name of Crane Brothers until 1890.

After the dissolving of this partnership Mr. Omar Crane entered into the hardware business with Mr. McCune as a partner. Upon the retiring of Mr. McCune, the firm became known as Crane & Bliss. On February 24, 1881, he united in marriage with Miss Jennie Owen, daughter of Mr. and Mrs. Robert Owen of this city. The widow, with one daughter, Mrs. Lawrence Krieg survives.

The funeral services will be held at the Crane home, 197 Hudson avenue, Monday afternoon at 2 o'clock. Rev. Don Tullis, pastor of the Second Presbyterian church officiating at the services. Burial will be made in Cedar Hill cemetery.

CHIEF DRIVES AUTO INTO TENT AT CARNIVAL

In an effort to relieve the congested condition of the traffic on the driveway into the carnival grounds at Eleventh and West Main streets Friday night, Police Chief Sheridan drove a large automobile down an embankment and into a tent occupied by a china vendor at the carnival. A quantity of china was broken in the crash, but the automobile and its driver escaped injury.

The owner of the machine left it standing in the roadway while the

party he was with visited the various attractions. The roadway became congested and the chief was making an effort to relieve the situation. He climbed into the automobile and got the help of a number of bystanders to furnish the motive power.

He turned the machine about but it started down an embankment and got beyond the control of the officer and crashed into the tent. The damage to the tent was nominal, though there was considerable loss in broken china.
